HELP !

Each season, every effort is made to provide the most accurate and informative range of player, team and club statistics possible for this report .

Its a long and tedious process, undertaken but people who volunteer there time without questionbut the task is becoming increasingly more difficult, and considerably more time consuming each year .

The reason for this is not that we have more teams, or more players , nor is it because we are making more runs or taking more wicketswe wish !

It is because the condition of the team scorebooks (which provides the majority of the information required), and the quality of information recorded in them is often incomplete, inaccurate or just plain difficult to read .

So how can you HELP ?

Firstly , Help the Team Captain(s)!

The Team Captain is responsible for the maintenance of the Team scorebook.

How ? ... put into action the following basic principles when you are scoring

1) Write all RCP players names in BLOCK LETTERS, using at least one initial !

Since 1993 we have 5 players with the surname of COOK, 4 BROWNS, 3 RANKINS as well as a heap of pairs including Emmels, Polkinghorns, Muggletons, Garretts,and many more !

So please use initials ...at least one...two would be better if possible !

2) Complete ALL batting and bowling details, at the end of each innings....

Many captains/scorers do not complete bowling details (overs , maidens, wickets, runs) at the end of an innings. Very frustrating and time consuming .

Many also forget to detail how the batsmen is dismissed , or even if he HAS been dismissed . Its quite common to see a scoresheet in which 9 or 10 wickets have fallen ,but only 5 or 6 batsmen shown as dismisseddoes this mean 3 or 4 batsmen remained not out?...amazing !

3) The "minor" details are important

*Fill in "Fall of Wicket" detailsat RCP , partnerships are everything !

*Fill in the Date of the Innings and circle to identify if its the 1st or 2nd Innings !

*Identify the GroundLewis Cohen is NOT the "Home of Cricket"....nor is Lockleys!

*ATCA paperworkregistration numbers and match details....double check everything before posting !

4) CAPTAINSDiscover the Back of the Scorebook !...

The team and individual player performance summaries at the back of the scorebook should be a must for any captain, coach or selector .

If completed properly , it provides an excellent "quick view" of both team and player profiles as well as being an invaluable cross reference point for the end of season stats.

5) Try and be Neat and TidyPLEASE !

Please respect the club scorebooks. They are a formal record of the performances of both players and teams who have represented Richmond Clarence Park C.C.

In short , the quality of the information contained in this report can only ever be as good as the quality of information contained in the scorebooks .

Lets be the best club , both on and off field !

Thanks guysall the best !
